

MMI HAS HELPED BRING ABOUT A 180 IN MALAWI...

In the central region of Malawi, Africa, our HIV and AIDS Education and Equipping Women | Empowering Girls programs are reversing attitudes and opinions...

from discrimination to compassion...

from stigma to understanding...

from myths to facts...

from fear of HIV testing to testing and medical treatment.

...AND DONE A 360!

CREATIVE METHODS OF HIV AND AIDS EDUCATION PROGRAM

There are 180 congregations in Nkhoma Synod in the central region of Malawi, Africa...

By July, 180 congregations will have been trained in the Creative Methods of HIV and AIDS Education program...

By July, 180 congregations will have been trained in the Equipping Women | Empowering Girls program...

In ten years, Malawi Matters has come full circle—360.

So—what is spinning off of this circle?

EQUIPPING WOMEN | EMPOWERING GIRLS PROGRAM

IMPLEMENTING—mentoring regional representatives to help the 180 villages implement their action plans

INSTRUCTING—equipping trained leaders in the 180 villages with additional information and innovative methods to teach their respective groups

INTERACTING—assisting the 180 villages to find local partners to provide support services to help meet needs
